Movement Launched for Community School After Fire Loss at Somerfield

State Educational Head In-
vited to Address Citizens
Meeting.

HIGH SCHOOL INCLUDED

Dozen Country Districts Embraced
In Proposed Plan: Fire Starts From
Spark in Roof: Pupils Unharmed.

SOMERFIELD, April 30.—As a result of a fire which broke out at noon today, the two-room public school building here the town is without school facilities. The situation has resulted in a movement looking toward a community school, with a high school included.

To this end Dr. Thomas E. Finegan, state superintendent of public instruction, has been invited to come to Somerfield at his convenience to address a mass meeting of citizens of Fayette and Somerset counties in communities bordering on this place and others which are interested in the plan.

The fire which destroyed the Somerfield school started from a spark which fell on the dry roof. The town is without its protection other than volunteer bucket service. A "brigade" was formed but it found that coping with the blaze was impossible. The structure was burned to the ground.

It was just before the noon hour when the fire was discovered. There were about 20 children on the second floor room of which Miss Mabel Givner was teacher, and as many in the first floor, under the instruction of Principal Walter Henrich. All were marched out without harm to them.

The school cost approximately \$2,800 to build and at the time \$1,000 insurance was carried. It would cost considerably more than \$2,800 to replace it, according to a citizen of the town.

CHICAGO, April 30.—Emerson Hough, author, died in a hospital at Evanston today. He was 65 years old and was taken to the hospital last Thursday suffering from an intestinal obstruction.

An operation was performed Saturday. Heart and respiratory complications caused death.

Several Places Are Raided by Officers Looking for Liquor

Police were busy overnight and made three raids on houses where it was alleged liquor had been sold. In each instance the proprietor was arrested and a quantity of moist goods confiscated. Mary Johnson of 155 South street was arrested and posted a forfeit of \$100. Her hearing was postponed from this morning until May 2.

George Jackson, colored, was also arrested for selling liquor and he left a forfeit of \$100. He did not appear for a hearing this morning.

During the forenoon officers visited the boarding house conducted by Ella Smith, colored, in West Crawford avenue and arrested the woman after confiscating a quantity of moonshine, some gin and beer. She was not given a hearing today.

John A. Monch of Weston, W. Va., was arrested over the week-end on a charge of transporting liquor. He left a forfeit of \$100 and did not appear for a hearing.

Five drunks were fined \$10 in police court this morning. Another, charged with drunkenness and disorderly conduct, was sentenced to pay \$25 or spend 30 days in jail. S. S. arrested for drunkenness left \$15 forfeit and did not appear for hearing and two posted \$10 forfeits.

THREE KILLED IN COUNTY OVER SUNDAY THROUGH USE GUNS

Three men, one white and two colored, were killed, one negro seriously wounded, and a negro wounded in a series of shootings Saturday night and Sunday at Edinboro, Rowers and Mount Sterling.

The Dead:
George F. Miller, 21 years old, of Gettysburg, employed as a coal and iron policeman at Edinboro. Died in the Uniontown Hospital Sunday evening at 8 o'clock.

William Joyner, 31 years old, negro, of Edinboro, instantly killed. Shot through breast.

Fred Douglas, 38 years old, of Rowers, shot through temple. Killed instantly.

The Wounded:
Mrs. Amanda Wells, 45 years old, negro, of Mount Sterling, shot in the abdomen. Removed to the Uniontown Hospital.

Chester Ingram, aged 30 years, negro, of Edinboro, suffering from a scalp wound. Lodged in the county jail charged with the murder of Riley and Joyner.

Riley was shot and fatally wounded when he attempted to arrest Charles Ingram, at Edinboro, Sunday evening about 6 o'clock, after the latter is said to have shot and mortally wounded William Joyner.

Fred Douglas, aged 38 years, colored, of House 85, Rowers, paid no attention to George Nelson's orders not to follow him out of the house after the two are said to have had an argument yesterday afternoon. He paid little heed to the warning.

With his life, getting out in the street, Nelson saw that Douglas had followed him. According to reports he drew his gun and fired, the bullet striking Douglas in the temple.

Mrs. Amanda Wells and daughter, Mary, decided to try out a newly acquired automatic revolver Saturday evening. They went outside and fired a number of shots. Later returning to the house they heard inspecting the gun. During the inspection the daughter is said to have pulled the trigger, believing that all of the shells had been expended. The mother was removed to the Uniontown Hospital shot in the abdomen.

WILLIAM L. BEAL, SIXTIES VETERAN, DIES OF INJURIES

Failed to Regain Consciousness
After Being Hit by
Motor Car.

FOUGHT IN MANY BATTLES

William L. Beal, 53 years old, a Civil War Veteran, who was struck by an automobile along the Mount Pleasant road at Poplar Grove the night of Wednesday, April 26, died Saturday night at 8:45 o'clock at the Cottage State Hospital. The body was prepared for burial by Funeral Director C. C. Mitchell.

The aged man suffered a fractured skull, a fractured jaw and lacerations of the head. He did not have any body injuries and he believed to have suffered mostly from the fall to the brick/surface. He did not recover consciousness after being removed to the hospital.

Mr. Beal was a native of Fayette county. When the Civil War broke out he enlisted at Mount Pleasant on August 27, 1862, as a private in Company D, 142nd Pennsylvania Infantry, Army of the Potomac, and took an active part in 24 battles. The engagements included the Wilderness, Spotsylvania, Weldon Railroad, Five Forks and Appomattox Courthouse. He was once taken prisoner and confined in a rebel prison camp but managed to escape and return to the Union lines. He was present at the surrender of Lee. He received an honorable discharge on August 25, 1865.

He was a member of the Church of God and of William R. Kurtz Post No. 104 G. A. R. He was the oldest member present at the birthday party given Clark Collins on Friday, April 20. He is survived by one daughter, Mrs. Roy Sparks, of Poplar Grove, with whom he made his home; a son, Lloyd, of Indian Head; a sister, Mrs. Sara Martin of Connellsville; and a brother, John Bechler, of Mount Pleasant.

Mr. Beal had been in the mid-week prayer service at the Evangelical Church at Poplar Grove and was returning when he was injured. He lingered after the service had closed and at his request those present sang "At the Cross" He then left.

Funeral services will be held at 8 o'clock this morning at the Poplar Grove home with Rev. J. H. Lambrecht, son, pastor of the Methodist Protestant Church officiating. William R. Kurtz Post will conduct military services at that time. Members of the post will meet at Odd Fellows Hall at 7 o'clock this evening and attend in a body. Tuesday morning the body will be taken to Indian Head where services will be held at 10 o'clock. Interment will be in the Mount Nesho Cemetery.

Michael McGivern DIES AT DUNBAR AT AGE OF 90 YEARS

Michael McGivern, 90 years old, died at the home of his son, Bernard McGivern, of Dunbar at 3 o'clock this morning. Death was due to old age.

Mr. McGivern was a native of Ireland, being born in 1833. He had lived a retired life for the past 20 years, staying at the home of his son. Besides his son, Bernard McGivern he is survived by Michael, Jr., of Jeanette and Edward of Evanson. Twenty-seven grandchildren and 22 great grandchildren also survive.

The funeral will be held Wednesday morning, with regular high mass at St. Alphonsus Catholic Church at Dunbar at 9 o'clock. The body will be taken to Seaside for interment in St. John's Cemetery.

Funeral Director William A. McNamany is in charge of the funeral.

Children Run Down And Killed by Train

Annie Kosen, four years old and Mary Roman, seven, step-daughters of Mr. and Mrs. Mike Kosen, of Diamond works, near Brownsville, were instantly killed Sunday evening at 6:45 o'clock, when struck by a fast Pennsylvania passenger train near West Brownsville.

The two children, accompanied by their parents and several other children were walking the tracks near their home, going toward West Brownsville station when the accident occurred. Hearing the approach of the train the remainder of the party jumped clear of the tracks but the two children kept running in front, evidently not hearing the train. Seeing the engine of the train is reported to have blown the whistle, which went unnoticed by the two children.

Both girls were struck by the pilot of the engine.

At Foundrymen's Convention

Officers Who Witness Crime May Not Make Arrest Without Warrant, Dauphin Judge Holds

By Associated Press.
HARRISBURG, April 30.—Search and seizure of liquor and arrests made without proper warrants were declared illegal and in violation of a person's constitutional rights, even though the police was still in operation. In an opinion handed down today by Judge John Fox of the Dauphin County Court.

The court ordered the return of the seized liquor and restrained the police from testifying of what they found. The decision was rendered in a Suction case.

The police last October, from a neighboring yard, asserted they saw a still in operation in a second floor room. They entered through a window, arrested the tenant and seized the still, 10 gallons of liquor and other articles.

Matador Badly Gored in Arena By Wild Bull

By Associated Press.
MEXICALI, L. C., April 30.—Francisco Parra Rivera, matador of Mexico City and Barcelona, Spain, was badly gored by a wild bull imported from Sonora at a bull fight here yesterday.

Charged by his failure to defeat the animal, Rivera, it was said, attempted to commit suicide in the ring according to custom but was prevented by picadores. They diverted the attack of the bull and rescued the matador.

Spectators wildly cheered the bull in evading death and the rescue.

A number of West Penn officials were here on Saturday and spent the day in making a general inspection of the Connellsville office and shops. The officials came here with a view to making an inspection regarding the location of a new storehouse which the company is considering building on its property in the West Side.

The present storehouse was visited and the crowded conditions viewed. It was generally conceded a new storehouse is needed. The shops were also visited and two of the six new cars being built on the West Side were inspected.

The party was in charge of Daniel Durie, general superintendent. Practically the entire day was spent in this city. The men took lunch at the West Penn Tea Room.

In the visiting party were A. M. Lynn, president, A. V. Bennett, assistant to the president, G. M. Giddis, vice-president of the power company; Harry L. Mitchell, vice-president of the railways; J. S. Jenks, chief engineer, and J. C. Watt, manager of the insurance department.

At noon the party was joined at lunch by local men including N. K. Woolman, P. T. Kameyer, H. E. Koser, P. A. Meyer and W. H. Anderson.

JOHN IRWIN, FIRST FRICK PENSIONER, IS SUMMONED SUDDENLY

Stricken suddenly with heart trouble, John Irwin, 81 years old, the first H. C. Frick Coke Company pensioner and the oldest living member of the Immortals Conception Church, both in respect to age and length of time, died Sunday night at 3:30 o'clock at the home of his daughter, Mrs. Thomas Quinn, a Crossland. He suffered at 9 o'clock and apparently was in his usual health.

Mr. Irwin was born in Ireland, a son of the late Patrick and Bridget Irwin. In 1885 he was married to Miss Anna A. Hough of Monahan county, Ireland. They came to this country in 1887, locating at Richmond, Va., where Mr. Irwin was a member of the police force for one year. From Richmond the family moved to Jimtown, Upper Tyrone township and from there moved to Wheeler, later locating at Braddock. At Jimtown Mr. Irwin entered the employ of the H. C. Frick Coke Company, remaining in the service of the company for 27 years. He received the first pension to be awarded by the Carnegie Pension Commission in 1902. Mr. Irwin was a member of the Ancient Order of Hibernians and had many friends throughout the coke region.

He is survived by four sons, John and Thomas, both of Connellsville, Patrick of Dawson and H. L. a Baltimore & Ohio railroad engineer, of Hazelwood; four daughters, Mrs. James Nolan of Uniontown, Mrs. Charles Hestenberg of Brookville, Mrs. Thomas Quinn and Miss Margaret Irwin of Crossland; 15 grandchildren and six great-grandchildren. The body was removed to the parlors of the Joseph L. Sinder Company and was later taken to the home of the deceased's daughter, Mrs. Hestenberg at Brookville.

The funeral will be held Wednesday morning at 8:30 o'clock from the Hestenberg home, followed by solemn high mass at 10 o'clock at the Immaculate Conception Church. Interment in St. Joseph's Cemetery.

Legal for Ships of Any Nation to Bring Into Port Liquor Sealed in Bond and Intended for use of Passengers on Outgoing Voyages.

By Associated Press.
WASHINGTON, April 30.—The ruling of Attorney General Daugherty against the serving of liquor on American ships on the high seas was overturned today by the Supreme Court which held at the same time, however, that the law prohibiting both American and foreign ships from bringing liquor stocks into American ports under bonds was legal and enforceable.

The court held that the prohibition amendment could not legally be applied to prevent American ships from carrying beverages when outside American territorial waters. To that extent the decision reverses a decision in the case by Federal Judge Hand of New York.

Within the three-mile limit, however, the court found that an entirely different situation obtained. Sustaining the position taken by Judge Hand on that point, the decision declared it illegal for American or foreign ships to bring liquor stocks into American ports or waters under bonds for the use of passengers on outgoing voyages.

The decision, regarded by the Federal government as one of the most important yet handed down in regard to prohibition enforcement was read by Justice Van Devanter.

Justices McReynolds and Sutherland dissented.

Justice Sutherland delivered a dissenting opinion, explaining that he agreed that American ships cannot have aboard intoxicating liquors in American territorial waters but he believed the prohibition should not apply to foreign ships.

Elpern Sues Express Company to Recover For Six Lost Dresses

A case which began in civil court this morning before Judge J. H. Roper in Uniontown, was that of J. H. Elpern of Connellsville against the Wells-Fargo Express Company to recover \$81.25. It is claimed that the plaintiff received a shipment from Pittsburgh from which six gowns were missing. He is suing to recover their value.

On petition of the Padmont Coal company a rule was granted in court on John H. Strawn receiver of the First National Bank of Uniontown, G. R. Schriener, B. M. Heston, and W. M. Hine, trustees in bankruptcy, for J. V. Thompson, to show why they should not deliver 75 shares of Western Coal Company stock, valued at \$1,000 each. The shares had been held to secure the claim of Henry A. Almsworth, who, it is set forth, is now deceased, the estate and claim being gutted.

Baltimore Dancers Claim New Record For Long Distance.
By Associated Press.

BALTIMORE, April 30.—Eight dancers in an endurance contest here claimed at 8:50 o'clock this morning to have equaled the 132 hour mark set at Youngstown, Ohio, last Saturday. The contest was held by police which obliged the contestants to remove to another hall outside the city limits. They were transferred in motor trucks shuttling about in machines as they rode. Returning today, the eight-five men and three women were still dancing at noon.

May Day Party and Dance.
Miss MacDowell will give May Day Party and Dance in Elks Hall Tuesday night, May 1st. Class 7:30 to 8:30. Social 8:30 to 11:30. Kleele's T-Place Orchestra will play.—Advertisement.—30-1r.

Grim Reaper

ALLEN HERBERT.
Allen Herbert, 71 years old, died Sunday morning at his home in East French avenue, following a lingering illness. He was a well known citizen and for about 20 years conducted a blacksmith shop at Moyer. He was born at Breakneck, March 16, 1852, a son of Thomas and Rosa Ann Gresh Herbert, both deceased. He was married on December 23, 1875 to Mrs. Mary Workman of Perryopolis. Mr. Herbert was a member of the United Brethren Church of this city. In addition to his widow he is survived by two sons, F. J. at home; Harry at Vanderbilt and one daughter, Mrs. E. T. Thompson, of Pittsburg. Eight grandchildren also survive.

Brief funeral services will be held Tuesday afternoon at 2 o'clock at the home, followed by services in the Mount Olive church at 2:30 o'clock. Rev. E. A. Sharp, pastor of the United Brethren Church of this city, will officiate. Interment will be in the Mount Olive cemetery.

MRS. MARY E. KIRKWOOD.
The body of Mrs. Mary E. Kirkwood, who died at her home in Brooklyn, N. Y., was brought to Uniontown and removed to Johnson's Chapel where funeral services were held this afternoon.

WILLIAM LEWIS.
Funeral services for William Lewis, who died Friday at his home at Mount Sterling, were held this afternoon at the Masonic Brethren Church, followed by interment in the Brethren cemetery.

Youth Drowned On Fishing Trip

BERLIN, April 30.—While fishing
from a boat in the Brothersvalley
Coal Company dam, two miles east
here, Frank Gammara, 16 years old,
whose parents live at Seward, West-
moreland county, was drowned Thurs-
day evening when the boat capsized.
His body was not recovered until Fri-
day.

Ross Sholman, 15, a companion of
the Gammara boy also was in the
boat, but he escaped by swimming to
shore. Gammara became bewildered
when the boat capsized and instead of
striking out for shore swam toward
the center of the dam. He apparently
became exhausted and sank before
help could be obtained.

Perryopolis

PERRYOPOLIS, April 30.—The men
of the Christian Church entertained
the women Friday evening. They had
been having a contest and the losing
side was to entertain the winner. The
entertainment was in form of a
chaperon. It was a complete surprise
to the women.

William Eschington was a business
caller at Uniontown, Saturday eve-
ning.

L. A. Brown has returned home af-
ter transacting business at West Vir-
ginia.

Misses Ruth and Grace Brown and
Dorcas Hall are spending the week-
end with relatives at Cullerstown, Pa.

William Staley of Charleroi was call-
ing on relatives here Friday evening.

Dr. and Mrs. R. P. Kamerer and
daughters Eleanora and Newman were
called to Shiloh, Ohio, by the illness
of Mrs. Kamerer's mother, Mrs. Ham-
ilton.

America's Oldest Coal Mines.
The oldest coal mines in America
are those in the bituminous fields
near Richmond, Va. In 1760, anthracite
coal was discovered in Rhode Island,
and, two years later, settlers from
Connecticut discovered anthracite in
the Wyoming valley of Pennsylvania.

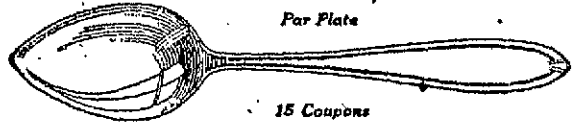

The rich beds of the Schuylkill were
discovered in 1770. Five years later
the government of Pennsylvania flouted
coal down the Susquehanna to Barle-
burk, then known as Harris Ferry,
and hauled it by wagon to the ar-
senal at Carlisle for use in the man-
ufacture of ammunition.

Moist and Dry Air.
Dry air is slightly heavier than or-
dinary humid-hot foggy air. The num-
ber of molecules in a given volume of
air and the same volume of water in
the form of invisible gas under the
same conditions is the same. When
such water molecules are introduced
into the dry air a corresponding num-
ber of air molecules are displaced. The
atomic weights of nitrogen, the prin-
cipal ingredients of air, are greater
than the atomic weight of water vapor.
Therefore since a light substance re-
places a heavier one the total weight
is less. Foggy or sticky air is quite
likely to be heavier than dry air.

Graveside Man Dies.
GREENSBURG, April 30.—James H.
Jimmerson, 76 years old, died at his
home in Graveside station at 4
o'clock Sunday afternoon from pneu-
monia. He is survived by his widow
and nine children.

Mrs. Mary J. Hannan Dies.
Mrs. Mary J. Hannan, 72 years old,
lived at her home at New Alexandria,
at 3:50 o'clock Friday afternoon.

Aerial Ballot With Robinson

Circus Delights and Startles

Did you ever hang by your teeth? Among the noted artists with the
John Robinson Circus and trained
wild animals are the Morales family
of sensational acrobats; the London
sisters, acrobats supreme; the Rudy-
noff trio of equo trainers; the Ben-
dicks troupe of riders; the famous
animal acts trained by John and
Harriet Gullfoyle; Miss John Pomroy
and Miss Ola Darragh, the three
herds of performing elephants in-
structed by "Goodfellow" Gardner, and
others too numerous to mention.

The John Robinson Circus and
trained wild animals, scheduled to ex-
hibit in Connelville on Saturday,
May 12, announced an aerial ball-
otting act as one of its many fea-
tures. Superlatively this does not
mean much. It is only when the de-
claration is made that there are over
twenty pretty and, shapely girls in
the display, and that their entire per-
formance is given while swinging by
their teeth in the domes of the vast
canvas pavilion, that the remarkable
character of the exhibition is realized.

Pomp Marks Galph's Accession.
The ceremony of the accession of a
new caliph of Turkey is a picturesque
and an ancient one, always carried out
with great pomp. The holder of the
rank proceeds from his palace on the
Bosphorus to the historic place and old
seraglio at Stambul, where he takes
possession of the sacred relics, in-
cluding Mahomet's mantle. Thence he
goes to the mosque of the Prophet,
where he makes his devotions.

Caliph, in Arabic, means "vicar,"
"deputy" or "successor," as he is
held to be the successor or representa-
tive of Mahomet, and is sovereign of
Mecca and Medina.

HAVE COLOR IN CHEEKS

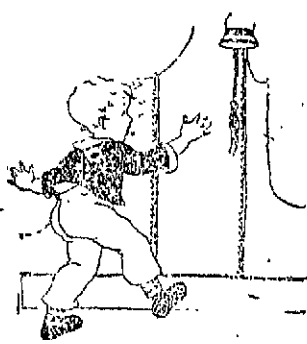

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion poor—tongue coated—appetite poor—you have a bad taste in your mouth—a lacy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study. Dr. Edwards' Olive Tablets are a purely vegetable compound with no harmful effects. You will know them by their olive color.

To have clear, pink skin, bright eyes, to pimples, a feeling of buoyancy like childhood days—you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous effects. They start the bile and overcome constipation. Take one or two nightly and note the pleasing results. Millions of boxes are sold annually at 15c and 50c.

Lights Out!

I have fitted electric light chains in our house with cords and tassels just the right height for my little boy to reach without stretching. I do not have to turn out lights after him, as he understands that those cords were put there for his own special convenience, and he takes pride in turning the lights on and off himself.

Counsel for "Babe" Ruth Requests That Girl Be Indicted

NEW YORK, April 26.—Hyman Buchel, counsel for "Babe" Ruth, today had before Acting District Attorney E. A. Tamm charges of conspiracy and a request for the indictment of Dolores Dixon, and others involved in the girl's \$50,000 suit against the home run king which her attorneys withdrew last week.

Buchel had a long conference with the prosecutor but declined to say what Mr. Tamm's attitude was towards the request.

Miss Dixon began an action against the baseball player last fall, alleging he was the father of her unborn child. Ruth denied he even knew the girl.

When the suit was withdrawn Buchel said he had in his possession a confession by Miss Dixon involving a blackmail conspiracy.

COSTUME RECITAL UNDER AUSPICES OF MT. PLEASANT CLUBS

Elizabeth Hood Latta Appears
in Number of Compo-
sitions.

Special to The Courier.

MOUNT PLEASANT, April 29.—The Saturday Afternoon Club of Scotland and Mount Pleasant and the Fortnightly Club of Mount Pleasant entertained their friends at the Bank Building on Saturday afternoon with a costume recital by Elizabeth Hood Latta, mezzo soprano, president of the Federated Music Clubs of Pennsylvania, assisted by Arthur Hunt.

Mrs. J. L. Smith of Scotland, president of the Saturday Afternoon Club, opened the meeting with Miss Edith Warden of Mount Pleasant making announcements of interest to the fortnightly club.

Previous to the number given by Elizabeth Hood Latta, she gave a short description of the song to be rendered and with each group of songs was dressed as the peasant of the country from which the songs were taken. The ladies were entertained between groups with some very excellent numbers on the piano by Mr. Hunt.

The ladies of the clubs served refreshments at the close of the meeting.

MONOGAHELA CONDUCTOR ALL FOR DRECO

Rheumatism Disappears Can
Work in All Sorts
Of Weather

Men and women from every walk of life have been helped back to health by DRECO. And now there comes another voluntary statement as to DRECO'S powers from a railroad man.

Mr. G. C. Baker one of the best known conductors on the Monogahela railroad has for years been bothered with rheumatism. In clear weather it did not bother him. Then on rainy days there would be such terrible pains in his limbs and back that he would have to leave work and go home.

His wife had taken DRECO for stomach and she felt so much better that Mr. Baker decided to give DRECO a chance to help him.

"My wife had such success with taking DRECO and it relieved her so quickly that I decided to take DRECO also."

"Where before on rainy days I would have to go home, I would have rheumatism so bad. I now work in all sorts of weather. My rheumatism has disappeared entirely, thanks to DRECO."

"I hope that every man and woman troubled with rheumatism will take DRECO. And soon the word rheumatism will be unknown."

DRECO is the pure liquid extract of many roots, herbs, barks and leaves which act on the vital organs of the human body. After taking DRECO it is noticed that the stomach is soothed and the liver becomes active, relieving headache and that dull, tired old feeling; nerves are quieted which induces sound sleep. The kidneys are strengthened. Appetite increased, bowels act with ease and regularity and the whole system takes on renewed energy, vigor and vitality. DRECO is harmless, pleasant to take and the effects are quickly felt.

DRECO is being introduced to the people of Connelville by the Connelville Drug Company. Call on them. Let them tell you of the merits of this wonderful remedy. They will honestly tell you whether or not they think DRECO will benefit you. Advertisement.

THREE TO SEVEN JOBS OFFERED PENN STATE ENGINEERING GRADS

STATE COLLEGE, April 30.—At least three jobs have been offered to each of the 200 engineering school students who are to be graduated in June from the Pennsylvania State College, it was learned today. Some of the men have received as high as seven offers, according to Dean R. L. Sackett who estimates that the call for Penn State engineers exceeds 600 separate positions.

Other schools of the college are expected to report similar conditions before commencement in June. A. R. Warrick, dean of men, stated today that for the first time in several years he is giving students leave of absence to look over prospective positions rather than to go out to seek a job. Dean Sackett characterized the general condition as an indication of booming business in all construction and manufacturing lines.

Representatives of big industrial firms who have come here in large numbers during the past three months to select men, deplore the fact that Penn State is unable to train more young men in engineering. Already the largest engineering school in the state, with an enrollment of over 1,000, hundreds of applicants are refused admission each year due to lack of facilities. Industries of the state are helping to relieve conditions through participation in the college emergency building fund drive for \$2,000,000 for student health and welfare buildings, which is now three-fifths completed.

No Golf Playing For Penn State Baseball Players

STATE COLLEGE, April 30.—Although golf usually forms an indispensable part of the big league training routine at the southern training camp, there is one former big league manager who does not believe in it for his college co-ops. Hugo Bezdek, Penn State director of athletics, has given strict orders to the Nittany Lions that they are to devote all their spare time to baseball and to leave golf for the varsity golf team.

It isn't that "Bez" has anything against golf, for he is a devotee of the little white ball himself. However, due to heavy class work, the amount of time for baseball practice at Penn State is somewhat limited and the Blue and White mentor wants his players to keep their minds on baseball above all else in the athletic line. So Bezdek's decision rests on the subject that Herb Bauer, utility infielder last season who holds the college golf title, has forsaken the diamond in order to play regularly on the state golf team.

Invitations to Dad Jam College Postoffice

STATE COLLEGE, April 30.—The local postoffice established a record for handling student mail this morning when over 3,000 letters from Pennsylvania State College students were sent to their fathers or guardians with an urgent invitation to attend the "Dad's Day" celebration here next Saturday. The students entertained their friends over the Junior Prom week-end celebration just closed, and hundreds of letters to their fathers helped make the greatly reduced post-office space go a long way.

The events are planned by the students for the coming Father's Day. There will be a big mass meeting on Friday evening when President John M. Thomas and other college officials will speak and the students will stage entertainment stunts. No less than six intercollegiate athletic contests will keep dad's head in a whirl all day Saturday. Upwards of 1,000 fathers are expected for this third annual celebration.

Bitten by Mad Dog.
Greensburg, April 30.—Ruth Downing, four-year-old daughter of Mr. and Mrs. N. H. Downing of Chestnut and South Main streets, was bitten in the face by a dog, believed to be mad, Sunday evening, while she was playing near her home. The dog then disappeared.

Invitations for Tennis Banquet Sent Out Today

The invitations for the banquet of the Connelville Tennis Association were sent out today. All old and new members on the roll were notified the event to be held on May 15, at a real interesting evening is being looked for. The banquet is an annual affair, always held just before the opening of the season. Unless weather conditions interfere, a court will be ready for play by Tuesday or Friday of this week. The net has been completely repaired and now it only remains for the surface to be scraped and rolled. C. A. W. H. grounds superintendent, has been assured that several men will be at the job at once and before the end of the week white ducks will be at the net.

Of Interest to Fans.
The Pittsburgh Pirates played in St. Louis yesterday and although Whitey was a home run in the 11th there was no one on the path to the home run. Sensational sport was given today. St. Louis, the edge in the opening frame on two runs crossed the rubber, a winning tally came in the fourth, the ninth the Pirates again scored, only a single counter. Barnhart tied for Glanier in the eighth and Milton finished the game.

The New York Giants got bumped out yesterday. This time by Phila-

delphia. The score was 8-8. The Phillies got a commanding lead in the third when five runs were scored off Jack Bentley before he was hit.

The Koyote Bakers are claiming baseball honors already. The Bakers anticipate a fine season on the diamond, having some capable men lined up. George Jones is captain, Charles Sullivan, manager, William Sapp, treasurer, and Charles Dennis, secretary.

Sand-lot baseball teams are in full blast and houses in the neighborhood of empty lots are again having their windows threatened by flying balls.

Many High School students will miss the afternoon performance of the circus on May 12 and will attend the first annual field meet of the Fay-

ette County Interscholastic Athletic Association at the Dawson Fair Grounds. The local institution will be represented in a number of events.

SUMMER TRAINING CAMPS FOR 1923

War Department Announces Plan for Military Instruction.

COLOR COURSES EXPLAINED

The plan for the field training of the army during the summer of 1923 has been announced by the War department. The approved program provides for the training of the regular army, the National Guard, 15,000 reserve officers, 5,000 members of the R. O. T. C. and approximately 38,000 candidates in the citizens' military training camps.

"The plan," says a War department letter to all corps area commanders, "is based upon the assumption that congress will appropriate the amount requested for carrying out the training. To accomplish the field training required by the War department each corps area commander will have at his disposal:

(a) Troops of the Regular Army—The recent distribution of troops of the regular army whereby a division or reinforced brigade was provided for each corps area, had as one of its objects the provision of an adequate force of troops of the regular army to render assistance to the civilian components in their training during the summer period. It is intended by the War department that corps area commanders shall utilize in the most advantageous manner all troops of the regular army, as well as all personnel of the corps area under their jurisdiction, for the purpose of obtaining the maximum results in the conduct of summer training.

(b) Instructors—In addition to those officers and enlisted men indicated in (a) above and those specially assigned to the National Guard, organized reserves and reserve officers' training corps, the following will be made available: First, graduates of the general service schools, Fort Leavenworth, second, graduates of the special schools; third, quota of reserve officers for a period of thirty days in addition to such period of training not exceeding fifteen days, as may be required by corps area commanders.

Distribution of Graduates
Recognizing the obligation of economy in movement and use of personnel, the number must of necessity be restricted to the minimum consistent with instructional requirement, and in the case of graduates, confined to those who will not be required to attend any school at the conclusion of the training period.

Graduates of the general and special service schools who, under War department instructions, are due for service with troops, will be ordered to report to their respective corps area commanders for duty at the conclusion of the present summer year, that is, on or about June 20, 1923, provided funds for mileage are or can be made available for the purpose during the present fiscal year. Otherwise the graduates referred to will be ordered to report on or about July 1, 1923.

In the event that the normal distribution of graduates of the command and general staff schools and the general service schools does not effect such assignments as required by the War department, the War department will take the necessary measures to insure that number being furnished for duty in connection with the conduct of tactical exercises for reserve and National Guard officers and for such other assistance and training as appears desirable.

Special instructors will be communicated by the War department to the commandant and the general service schools to organize and prepare the graduates so ordered to act as a team of instructors under the supervision of the corps area commander concerned.

Not more than 100 reserve officers selected for special fitness will be authorized for each corps area to serve as instructors in citizens' military training camps and provided they agree to serve for the period of the camp. Approximately 50 per cent of all these officers will, if practicable, be officers who also hold commissions in the National Guard, Par 43, 9 B. 43, being suspended in this regard.

Citizens' Training Camps.
In the training program as outlined by the War department one of the most important functions of the corps area commanders will be the citizens' military training camps. For this training each corps is required to obtain its quota of men for the citizens' military training camp. The allotment of each corps area will be approximately as follows:

Corps Area	Per
1st Corps Area	4,000
2nd Corps Area	4,000
3rd Corps Area	4,000
4th Corps Area	4,000
5th Corps Area	4,000
6th Corps Area	4,000
7th Corps Area	4,000
8th Corps Area	4,000
9th Corps Area	4,000
10th Corps Area	4,000
Total	38,000

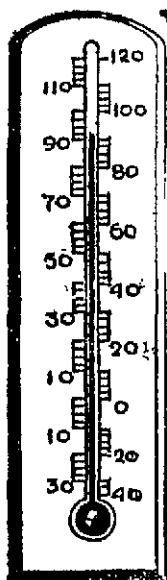

The object of the citizens' military training camps is to bring together young men of the highest type from all sections of the country on a common basis of equality and under the most favorable conditions of outdoor life; to stimulate and promote citizenship, patriotism and Americanism and, through expert physical instruction, athletic coaching and military training to benefit the young men individually and bring them to realize their obligation to their country.

The Hygeia Ice Company, Crystal Ice Company and W. R. Barton Sales Company (now known as the Hygeia Ice & Storage Company, Incorporated) records reveal that the company has averaged over 300,000 dollars' worth of cash business per year for the last 10 years.

This means that you are now invited to join a company whose cash business over the last 10 years totals three (3) million dollars.

We are not referring to the future, but are revealing the history of the past. The future prospects of the company, however, like the history of the world, are built upon the past.

During the last ten years, the present management of the Hygeia Company has succeeded in building a (3 million dollar cash) business upon borrowed capital, besides owning permanent assets in the shape of manufacturing plants, real estate, machinery, railroad sidings and trucks, which, according to the American Appraisal Company could not be reproduced for less than \$387,710.00, and under the same management with a three (3) million ten year business in prospect during the next ten years and with assets of \$387,710.00, or a grand total of \$3,387,710.00 foundation upon which you are now invited to also build and share in these possibilities.

THESE DAYS IS GONE FOREVER!

Fayette Sunday School News

By J. H. Collins, Secretary.

Arrangements are being perfected for the annual county convention to be held this year at Brownsville. A tentative program has been arranged and will be issued soon. The first session will open on the morning of June 15 in the Central Presbyterian Church, this having been selected as the convention church. A number of excellent speakers and instructors have been engaged for the occasion. Dr. D. L. Marsh will preach the convention sermon, while the addresses of Rev. O. S. McFarland will be along the line of Christian education. Mrs. J. W. Dawson has been engaged this year to give her demonstration of "sacred work in the children's division." The convention made will be in charge of L. H. Rich of Scotland. The new state general secretary, W. S. Myers, will be with us at this time, as will also G. W. Pennington, general secretary of Allegheny county, and R. A. Burkhardt, state field worker.

The Teachers Training Alumni Association will hold its annual banquet in connection with the county convention on the evening of the 15th in the dining room of the Y. M. C. A. This is open to all who may desire to attend, and tickets can be secured at the price of one dollar. The county executive committee at its last session adopted a resolution to inaugurate a new feature of the convention in the way of a registration fee of 50 cents to be required of all delegates in attendance. At this time the county president also announced the following committees: Finance, William Thompson, Albert Gaddis, Frank Sidor, William L. Whitkey and Joseph Croushore; nominations, Rev. R. C. Van Buren, M. L. Sears, L. S. Burchinal, D. C. Cook and G. D. Ansell; auditing, J. W. Dawson, Prof. J. W. Willard and J. V. Galt; resolutions, Prof. J. T. King, H. W. McRobbie, H. R. Flores, Prof. M. F. Franks and Prof. Oliver Trickell.

Miss Lulu Longacker of Pennsylvania, who has for a number of years been the very efficient secretary of the Everson district association, has won the honor of being the first to return a complete list of school statistics. The secretaries throughout the county have cooperated splendidly in this matter, which is one of considerable importance, where the officials of the United States Government employ these figures in compiling the Year Book of Religious Bodies, the Sunday School Association being the only organization having under its supervision the entire list of evangelistic Sunday schools in existence. There are still some of our schools on the delinquent list in the matter of their annual report, which it will be necessary for us to secure before sending our annual report to the state in July. However, the local officers should be interested to see that they are returned in time to be included in the annual report for the county, since they play an important part in the relative standing of the districts and in determining the award of the county banner, which has been in the possession of the Fayette City District during the year.

At the Theatres

THE PARAMOUNT.

"THE POWER OF A LIE"—Featuring: Mabel Julienne Scott, Earl MacCallio, June Kiroge and David Torrance is the leading attraction today and tomorrow at this theatre.

"The Power of a Lie" is originally a novel and play by John G. Bly, a brilliant Norwegian dramatist, who expressed his conclusions on the subject of deceit dramatically and frankly.

It is seldom that the motion picture art lends itself to so simple a phenomenon of life as deceit, in picturing faults and follies of the human race. But "The Power of a Lie" is originally a novel and play by John G. Bly, a brilliant Norwegian dramatist, who expressed his conclusions on the subject of deceit dramatically and frankly.

The cast is assurance of the quality of interpretation. George Archainault, a gifted young French director, has a command with the Continental film company, which handled the filming of "The Power of a Lie." The scenario was prepared by Charles Clayton, whose name is a screen writer and preceded by the authorship of such screen plays as "Killing Time" which the Drama League judged one of America's five greatest stage plays.

There is no Wednesday, Frank Noye will be seen in "The Evening Hour."

THE SOLIS.

"TAN A WOMAN LOVES TWICE"—The nature picture today, Tuesday and Wednesday at this theatre, presents the beautiful Ethel Clayton in the leading role.

Love in all of its various phases is forever depicted in "Tan a Woman Loves Twice." Mother-love, father-love, the love of granddaddy for his grandson and the love of a noble woman for a worthy man all have been woven into a drama which will long be remembered by those who see it.

The picture abounds with those little human touches which mean so much to the viewer when they are well done, and here they are well done indeed. For never have there been finer passages than those between the count's mother and her baby, which part, by the way, is played by five-year-old Muriel Dana in a manner that will win over the hardest heart.

In a nutshell, the picture might be described as the stirring story of a woman who practised a great deception for the sake of her holy boy, and who repented for love of the man she had deceived.

Malcolm McGregor heads a sterling supporting cast. Thursday, Friday and Saturday, Wesley Barry, the treasured-lace

screen luminary, will be seen in "School Days."

THE ORPHEUM.

"BACK HOME AND BROKE," on view at this theatre today, Tuesday and Wednesday, is a Paramount picture, with Thomas Meighan, the celebrated actor, in the leading role. Mr. Meighan, who has no trouble winning popularity contests for being the best liked screen actor, will probably be a few more thousand votes ahead in the next balloting, for "Back Home and Broke" is a type of vehicle particularly suited to him. It is one of those stories which reach the heart and which everyone can understand. The latest Ade-story is typically Ade, which is to say that it has that peculiarly human appeal which makes George Ade's writings so popular. Mr. Meighan has the role of a young man who is born at the top of the financial and social ladder, comparatively, the drops to the bottom with a bang, he leaves his home town for what he believes to be a field of success, determined to make good and "show out"—the townspeople who regarded him with amusement and disdain. He comes home broke, apparently, and again with ridicule. Even the town papers poke fun at him. The story doesn't begin here—it bubbles all through the picture, but it rises at this point where "Tommy" turns the tables in a novel and exciting way.

Thursday May McAvoy will be seen in "Morale."

THE ORPHEUM.

A perfectly good check—good for its face value of \$1 will be given for every admission ticket purchased for the novelty show at the Orpheum Theatre, featuring Byron G. Harlan who brings with him his own company of entertainers in a varied program that will please the masses for three days starting next Thursday. One matinee performance and two at night for each day of the engagement. "Every ticket bought will carry with it our check for one dollar," said Manager P. Mikalarias. "If a thousand of the patrons on the first day like the show so much they want to see it again, they will get a new check for one dollar when they come back the next time—and the next. There is no limit on how many times a patron will want to see this novelty show and absolutely no limit on how many dollar checks we will give away. It's expensive publicity but we might as well make it a howling success as a half-way proposition."

Then Mr. Mikalarias announced that in addition to the big hour show of Byron G. Harlan, Mabel Loomis, Beth Hamilton and Armstrong, "the man of mystery," he would present on the screen May McAvoy in "Morale" on Thursday and on Friday and Saturday, Bobo Daniels in "Pink Goggles." All of this makes a program brimming with novelty and one that is believed certain to break all attendance records. Harlan and his excellent company alone should pack the theatre, adding the big picture feature adds another value, then adding the making of real photograph records in front of the audience and permitting one side of the "dick" to be registered by local artists and you start the entertainment value piling up to the clouds and on top of it all give away a dollar check to everyone who attends surely is a record that undoubtedly registers a record for the theatre never attained before in this city.

STATE THEATRE.

Joseph M. Gallos will present "Take It From Me," the three ring circus of musical comedy, three from its over a year run at the 11th Street Theatre, New York, five months at the Studebaker Theatre, Chicago, at the State Theatre, Uniontown, Thursday, matinee and night. It is the work of Will B. Johnston, a well-known New York newspaper cartoonist, who has completely succeeded in transferring to the musical comedy stage a number of real characters which he discovered and elaborated out of the droll incidents of everyday life. Such delightful music, such delicious comedy, such magnificent stage pictures, are seldom combined in one musical piece, and the exceeding attractiveness of it all is enhanced by the excellent company in the various roles and the beautiful "Kiss-Me" chorus girls. The original New York company will be seen here, including Alice Hills, Marjorie Sweet, Robert Capron, Joseph M. Wilson, Myra Telaka, Leah Cooke, Frank Gardiner, Chic Burpham, Charles Welsh Homer, Henry W. Robertson, Kathleen Butler, Jane Jackson, Marjorie Fleming, Robert Hart, Bob Lorraine, Dorothy Dunn, Earl Walding and Charles McFon.

Don't Let That Cold Turn Into "Flu"

Rub on Good Old Musterole

That cold may turn into "Flu," Grippe or, even worse, Pneumonia, unless you take care of it at once. Rub good old Musterole on the congested parts and see how quickly it brings relief.

Colds are merely congestion. Musterole, made from pure oil of mustard, camphor, menthol and other simple ingredients, is a counter-irritant which stimulates circulation and helps break up the cold.

As effective as the messy old mustard plaster, it does the work without the blister.

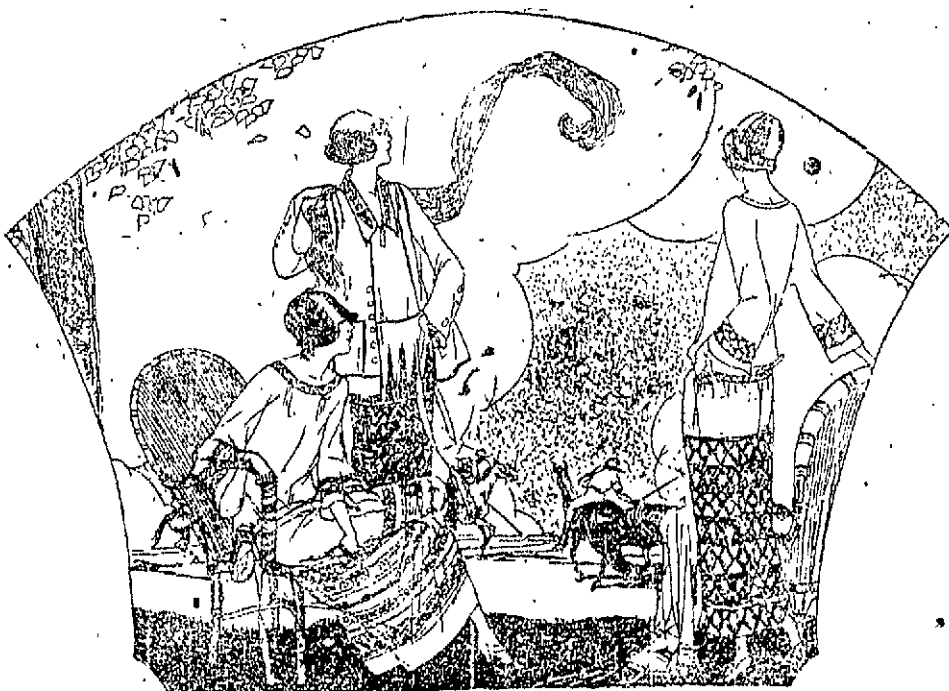

Just rub it on with your finger-tips. You will feel a warm tingle as it enters the pores, then a cooling sensation it brings welcome relief.

Better than a mustard plaster

The Sport Things You'll Need For Town or For Country Club

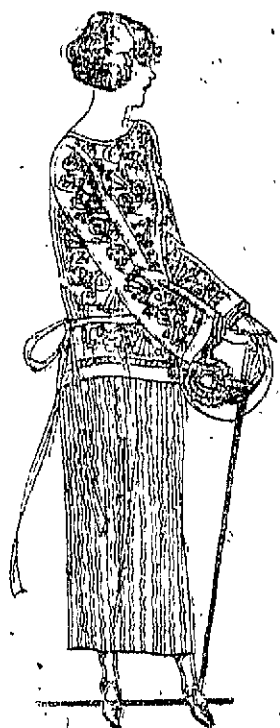

The Knitted Mode

Garments in woolen yarns or knitted fibre silk are unquestionably new for Spring and Summer 1923. They bring to frocks, suits and capes, materials that have hitherto been confined to sweaters. The effects are more than novel—they are charming!

The Pleated Mode

Last season no skirt was swaggy unless it was fringed. This season no skirt is acceptable unless it's pleated. The pleating favors for the most part, neat knife effects and are to be found in both separate skirts and in dresses. In either case they're unusually interesting.

YOU'LL like them not only for their style—but for their comfort, their coolness and for the poise that they will bring you. Needless to say, this season's Sportswear modes are more beautiful by far than those of seasons past. This week will be an ideal time for you to come in and see them.

Knitted Suits Favor Jacquettes \$25-\$35

Side tie jacquettes—which contrast with a plain or pleated skirt—are one of the newest things about the knitted suits that are so new this season. They never fail to feature glowing colors. Other suits bring a new type of straight-line Eton-collared jacket with neat long sleeves ending in a tailored cuff. Either mode is easy to wear—especially if you like your appearance to be youthful.

Knitted Frocks Are Straight of Line \$19.75

Sportswear must be so designed that there shall be nothing but utter freedom for every movement. Knitted frocks achieve that end by adhering to the becoming straight-line silhouette—varied, at times, with a slight flare at the hem. In blue, black, yellow and rose underlines, cleverly combined with white. The effects—in one word—are unusual and charming.

With Matching Cape \$45

A few knitted frocks are found with graceful cape to match—thereby doubling the efficiency of your costume. They will be very nice things to wear, no matter how cool the Spring-time day—and no matter where that day's invitations may take you. \$45.00.

Monogrammed Frocks in Silk \$25-\$49.75

Short sleeves, smooth, simple lines, pleated skirts and monograms either at breast or pocket are outstanding features in new Sports Frocks of silk. The materials they employ are cool, graceful crepes and they like brilliant colors. One little model shows candy stripes on washable Truba silk and has a likable Eton collar. At \$25. Others to \$49.75.

Pleated Skirts in Crepe De Chine \$10.75

These are new arrivals and they make our skirt assortments exceptionally complete. With the smart, knife pleats that are so much in demand. In white, tan, black and grey at \$10.75 to \$22.50. A new fashion is the bodice skirt to be worn with either jacquette or blouse. \$17.50.

New Wool Slipon Sweaters \$2.50-\$10

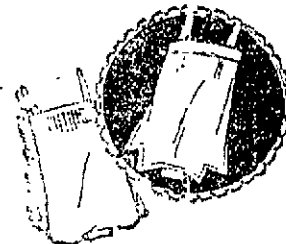

Our assortments include just every sweater that has been smiled upon by Fashion. Close fitting necklines or cool open types—as you prefer. And a variety of summer shades that bring you white, blue, orchid, honeydew, grey and many other colors. It will really be worth your while just to look at them—remembering, too, that sweaters are destined to enjoy an unparalleled vogue this season.
